Appendix B

Location of the SOTG and the RTC

The Special Operations Training Group (SOTG) and the Riverine Training Center (RTC) are located aboard Camp Lejeune, North Carolina. The SOTG headquarters is physically located at the Stone Bay Range Complex (Headquarters Bldg #RR 204) while the Riverine Training Center is headquartered in building # BB-12 at Courthouse Bay.

Travel to SOTG can be accomplished by two routes. One is off base while the other is through the main base.

For the off base route, from the main gate drive south on Hwy 24 to Hwy 17 (approx. 6 miles). Continue south on HWY 17 to the intersection of Hwy 17 & HWY 210 (approx. 12.3 miles)—turn left. Proceed on Hwy 210 to Range Road (approx. 1.7 miles; the range complex entrance is marked by a red and yellow “Stone Bay Range Complex” sign)—turn left onto Range Road. Continue to Booker T. Washington (approximately 1 mile; just prior to entering the main facilities area for the ranges) and turn right. Follow Booker T. Washington approximately 4 tenths of a mile to the 200 series buildings—SOTG headquarters is in RR 204.

To get to SOTG through Camp Lejeune proper, drive south from the main gate on Holcomb Blvd turning left onto Sneads Ferry Road (approx. 3.5 miles). Proceed on Sneads Ferry Road to the intersection of Sneads Ferry and Marine Road (approx. 4 miles; just past the ASP compound; road intersection has a caution light). Continue on Marine Road until it intersects with Hwy 172 (approx. 5 miles; Courthouse Bay entrance) and turn right. Take Hwy 172 through the rear gate and across the Sneads Ferry Bridge. Stay on Hwy 172 until it intersects with Hwy 210 (approx. 8 miles)—turn right onto 210. Follow Hwy 210 to the Stone Bay Rifle Range Complex (approx. 2.2 miles; Complex sign located at the entrance). Turn right onto Range Road and proceed to Booker T. Washington (1 mile)—turn right and follow Booker T. Washington approximately 4 tenths of a mile to the 200 series buildings. Building #RR 204 is the SOTG Headquarters.

Travel to the Riverine Training Center is best accomplished through the main base.

From the main gate drive south on Holcomb Blvd--turn right onto Sneads Ferry Road (3.5 miles). Continue south on Sneads Ferry Road to where it intersects with Marine Road (approx. 4 miles; just past the ASP compound; road intersection has a caution light). Continue on Marine Road until it intersects with Hwy 172 (approx. 5 miles). Cross Hwy 172 to the entrance of Courthouse Bay. The Riverine Training Center is headquartered in building #BB-12 (generally at the far end from the entrance to Courthouse Bay, next to the water, approximately 8 tenths of a mile from the main entrance). As one proceeds toward #BB-12, the Marine Corps Engineer School is located on the left (2 tenths of a mile from the entrance to CHB) in building #BB-28.
